

Open budget data

Better Budget Day Toronto
May 30, 2015

Gabe Sawhney (@ggggg),
Emily Fan (@emilyjustinefan),
Evan Herbert (@evan_herbert)

Agenda

- Welcome/intro
- What's open (budget) data?
- Examples
- Toronto's open budget data
- Discussion!
- Reports back and next steps

What's open data?

- Structured data
- Machine-readable
- Can be freely shared, used and built upon without unreasonable restrictions

What can open budget data *enable*?

- Research and analysis
- Budget visualizations
- Budget simulators / consultation tools

Examples

Toronto open budget data

What open budget
data do we *want*?

Discussion questions

1. What's the thing that you'd like to make or answer using open budget data?
2. What can we do to encourage more/better/faster open budget data?

Report back + Next Steps
